CHAIRMAN'S COMMENTS

Happy New Year to everyone. May 2007 bring you health, wealth and happiness.

Usually I'm scratching my head and chewing my pen trying to think what to write in Chairman's Comments but not this month. We've lots of news.

First of all a very big thank you to all of those who contributed in any way to the Christmas entertainment. I think a standard has been set and we will be looking for volunteers for next Christmas later in the year.

Another bit of news – if you haven't heard it already - is that the Head Office of the U3A burnt down on the 1st of December and so December was a bit of a chaotic time for them. However, they have managed to rescue all their files and found temporary premises. I think all they have lost is some of the resource stuff for groups.

Nearer home, I would like to welcome Kathy Lynn James and her husband to Stamford. Kathy is based at Penn State University and is doing a PhD on Art and Craft for Retirees. She did a round robin e-mail to many of the British U3As and decided to base herself in Stamford. She will be at the January meeting and it won't be hard to spot her as she is a bit younger than the rest of us. Please make her feel at home even if you are not a member of our Art and Craft Group. She is living in Kate Rogers' house in Carlby for the

duration, so if you live out there do let her know. It is her first visit to Britain and I think our winter weather has given her a bit of a shock so please try to make up for it by the warmth of your welcome.

Inside the Newsletter we have three different pleas for volunteer helpers – Malcolm Sargent School, Books on Wheels and drivers for Christ Church Day Centre. What better start can you make to your year than volunteering to help other people. As you can see, there is a large demand for volunteers – make a difference and at the same time make some new friends.

Another very gratifying piece of news is that Jean Farmer and Margaret Harkie have volunteered to take over the tea and coffee making at the monthly meetings. This is a great relief to me as the job of tea and coffee making is more important than the Chairman.

I'm sure 2007 will be another year of activity for Stamford U3A with a wide range of trips, well attended meetings and groups and perhaps the forming of even more new groups.

Regards,

Hendy Farquhar-Smith

ART HISTORY TRIP TO DULWICH PICTURE GALLERY

The Art History Group are going to the Canaletto in Britain Exhibition at the Dulwich Picture Gallery on 4th April. I have also organised a tour of the gallery for those who are interested.

Because Dulwich Picture Gallery does not want us to pay until we get there, this means that the advance payment for this trip will be only £15 – to cover the cost of the coach. If more than 30 people sign up, the coach charge will be reduced and you will be refunded the difference on the day. However, you will be expected to pay £2 per head for the tour of the gallery and £6 per head for the Canaletto Exhibition which I will collect on the day. You are welcome to come along for the trip only and neither the guided tour nor the Canaletto Exhibition is compulsory. Please sign up at the January meeting or ring Hendy 756316.

BOOKS ON WHEELS

This is a very well worth while service, taking books to the housebound elderly who cannot get to the Library. It only entails about one Monday every two months but volunteers really need to be able to carry a bag of books. Car driving is useful but not essential. A full training be given. Either get in touch directly at Stamford Library or phone Hendy

BRIDGE FOR BEGINNERS

There is a possibility that this group might get under way in the New Year. However, it seems likely that there will have to be a charge made for these lessons. Please can you get in touch with Chris Rippington on 764489 and let her know if you are still interested if a charge is going to be made.

DRIVERS NEEDED!

Christ Church Day Centre desperately needs drivers under 70 for its mini bus. The job would entail possibly one Wednesday a month, picking up frail elderly people from their homes, driving them to the Day Centre and taking them home again. If you would like to help this very worthwhile cause, please ring
